FOUNDATION FOR THE FUTURE RECEIVES iGIANT PIONEER AWARD

WHEN: January 12, 2022

WHERE: www.f4f.space

WHAT: Foundation for the Future, a scientific education and public works advocacy foundation, dedicated to one goal: the creation of a space infrastructure administration, has been awarded the *2022 iGIANT Pioneer Award* for Advancing the mission of the iGIANT as demonstrated by hosting and supporting conferences and outreach highlighting the critical importance of precision and gendered innovation and design in our lives. Through their support and dedication to iGIANT's mission, important steps have been taken toward accelerating the translation of research into gender/sex-specific design elements.

iGIANT President Saralyn Mark, a speaker at a previous Foundation for the Future Conversations event said, "I very much appreciate having the opportunity to share my insights on your platform." Foundation for the Future Executive Director Tim Chrisman, thanked Ms. Mark saying "It is such an honor to receive this Award. Thank you Sara and all of the iGIANT for your hard work and efforts to make every work environment safe for all workers."

About iGIANT®

iGIANT® (impact of Gender/Sex on Innovation and Novel Technologies), a 501(c)(3) nonprofit corporation, accelerates the translation of research into gender/sex--specific design elements such as products, policies, protocols, and programs for health, IT, transportation and retail sectors by engaging stakeholders in government, industry, academia and advocacy. Through roundtables, summits, challenges, scholarships and an iGIANT Seal of Approval for design elements, iGIANT aspires to improve the safety and quality of life, including work performance, for everyone. It is the only organization in the world doing such work, and it has been often recognized for these efforts.
